*SPECIAL SUMMARY REVISION OF
ELECTORAL ROLLS PROGRAMME 2022-23*

FOREWORD

*W*e have been celebrating the National Voters' Day since 2011. National Voters' Day is celebrated across the country to refresh our pledge to strengthen functioning of democracy in our country with an objective to maximize inclusive and ethical participation of citizens in the electoral processes. Electors are at the centre stage of the programme and as such, the theme of participation of electors, in particular young electors, permeates the structure of activities we design on the occasion of the National Voters' Day.

This year also National Voters' Day will be celebrated the Polling Stations Locations (PSL), Blocks, Sub-divisions and district headquarters the 25th January, 2023 with enthusiasm commensurate to the gravity in the district eliciting maximum participation of electors.

Theme of this year's National Voters' Day is **"Nothing Like Voting I Vote for Sure"**. National Voters' Day programme is emerged as a programme of all the voters of the districts. It reflects on one hand the spirit of participation of young and newly enrolled electors and on the other, the aspirations of our potential electors. Future voters have been participated in drawing, debate and essay writing completion. Some of the pictures have been selected for this edition.

This edition is named "Petals of Democracy" comprised of statics of electoral roll related activities, selected drawings of future voters of the state and few campaign and other SVEEP activities organized by different districts and CEO West Bengal. It is a little effort made by the team of CEO West Bengal to capture few important events of the past one year.

I would like to thank all the officers, staffs and agency who made this book possible.

SVEEP ACTIVITIES

PVTGS – The Totas, numbering only 1656, are an isolated tribal group residing only in a small enclave called Totopara in the Madarhat Block falling under 14- Madarhat (ST) AC, Alipondia district and they are on the verge of extinction. The Totas have been identified as Primitive Tribal Vulnerable Group by the ECI. For preservation and safeguard of the tribal community, these tribal people are encouraged to enroll themselves in the electoral procedure and a special camp for inclusion of the Totas was held on 19.11.2022 at Dhanapati Tota Memorial High School, Totopara, Boudh no 14/60 & 14/41. The are total 408 nos. of houses and 1656 members as per the survey report. Out of the total 1656 Totas, 1120 have been enrolled in the Electoral Roll. As per the survey, 27 people were found to be eligible / prospective voters and we have been able to enrol 20 new voters in the Electoral Roll in this SSA campaign period.

SEX WORKERS : Sex workers are that part of the society that not only usually get ignored, but also shamed, ostracized and even stigmatized. With an intent to spread awareness of the voting process among them, including their rights and importance as voters and an inalienable part of the society, special awareness camps were organized by the District Team under the guidance of the District Election Officer, Shri Surendra Kumar Meena, IAS, DM, Alipondia. We were able to provide the service at their doorstep of enrolling themselves as electors in the Electoral Roll. As per the Social welfare report there are 98 sex workers/ distress women in the district, out of which 37 cases have been identified for new enrolment as a voter. We were able to submit and all 37 applications in the said camp achieving 100 percent enrollment.

TRANSGENDERS / THIRD GENDERS : The Transgender community often face a lot of hardship due to the social stigma and ostracization, resulting in social discrimination against them. They still struggle for their identity and fair treatment. Earlier, in the electoral rolls, only two nomenclature of sex were mentioned-male and female, consequently, depriving them of the statutory right to vote in transgression of the Constitutional provision of Universal Adult Franchise. The initiatives taken by the ECI by adding the third gender category in the enrolment forms, they could now identify and enroll themselves as third gender in the Electoral Roll. Special awareness camps/ outreach camps in these areas were conducted and all eligible voters among them were enrolled in the Electoral Roll. As planned outreach camps at remote places, Primitive Vulnerable Tribal Groups (PVTGs) and other remote hamlets, forest villages and Tea Gardens located in all 5 Assembly Constituencies of the district for maximum enrollment of voters were conducted. 40 transgenders have already been enrolled as voters. 14 new applications from the transgender community have been submitted for processing during the special campaign period.
